A Guide To 1 1200

The aim of the guide is to provide an encyclopaedic reference of manufacturers and models (1/1200 and 1/1250), with an emphasis on British and, to a lesser extent, American ships. Every attempt has been made to ensure

Determining Eligibility.

Under federal rules, to be eligible for benefits a household's income and resources must meet three tests:

Gross monthly income — that is, household income before any of the program's deductions are applied — generally must be at or below 130 percent of the poverty line. For a family of three, the poverty line used to
