BS 5975 Code of practice for Falsework - Civil Engineering ...

The History of BS 5975. The BS5975 code of practice developed because of several high-profile temporary works failures in the 1960's and 70's. Some of these failures caused fatalities and cumulatively they led to the publication of the Bragg report in 1974. This was followed by the publication of BS5975 in 1982.
