Expulsions: Brutality and Complexity in the Global Economy

...

Expulsions lays bare the extent to which the sheer complexity of the global economy makes it hard to trace lines of responsibility for the displacements, evictions, and eradications it produces--and equally hard for those who benefit from the system to feel responsible for its depredations.

The Program in Critical Theory

In my latest book, *Expulsions: Brutality and Complexity in the Global Economy* (2014), I was interested in understanding what I call 'embedded borderings'. Interstate borders are just one kind of border; I was interested in border spaces that cut across countries, connecting both poor activists and the rich and the powerful.
