## Public Inquiries

Public inquiries are major investigations – convened by a government minister – that can be gifted special powers to compel testimony and the release of other forms of evidence. The only justification required for a public inquiry is the existence of “public concern” about a particular event or set of events.

## Public inquiries | The Institute for Government

Typical events for a public inquiry are those that cause multiple deaths, such as public transport crashes or mass murders. In addition, in the UK, the Planning Inspectorate , an agency of the Department for Communities and Local Government , routinely holds public inquiries into a range of major and lesser land use developments, including highways and other transport proposals.

## **Public inquiry - Wikipedia**

Public inquiries are set up by the government, under the Inquiries Act 2005, to investigate events which have or could cause public concern. They can be led by one person or a panel, who take evidence in the form of documents and oral testimony regarding the events in question. Often, the inquiry will be chaired by a currently serving or retired judge.

## **What is a Public Inquiry? | EachOther**

1.1 A public inquiry is a formal hearing held by a traffic commissioner. There are three main types of public inquiry - those held to determine licence applications; reviews of operating centres (for goods operator licences only); and those held for regulatory reasons.
