Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

### What is another word for "soon after"?

However, I didn't feel that SOON was up to the same standard as the earlier books (especially Once, Then and After). The story is relatively short. The only 'new concepts' it introduces is the Nazi use of humans for medical experiments and the fact that life can be just as hard after a war as during.

### **Then, Once/Now/Then/After by Morris Gleitzman ...**

I think there were a lot of unanswered questions between Then and Now but the story flowed better without After being shoved in after the tale had already concluded. It lessened the impact the previous books, especially the ending of After, had once you knew that there was a happy ending waiting in Australia for him.

### **Morris Gleitzman - Book Series In Order**

'Soon' is the surprise (at least it was to me!) fifth book in Australian author Morris Gleitzman's incredible 'Once' series of books for younger readers ... though, as Gleitzman says in a letter to readers at the end, he prefers to think of these as a 'family of books' rather than a series, because they can be read out of order or stand-alone.
