I've read many books on this subject and "Beyond the Burning Time" deserves to be recognized as up there with the best. The characters and time period come to life. And you will most likely find yourself confused, horrified and in disbelief that events such as this ever happened in this great country.

Beyond the Burning Time by Kathryn Lasky is a novel about the salem witch trials. This story explains all the elements involved in the hysteria of the time period very well. However, I do not feel that the historical accuracy is what it should be. The witch trials are compelling to many people, myself included, and it is a period of history that ...
