that tells of the life and challenges that teenage vampires face. The story is about a 16 year old girl who is been marked to become a vampire. Turning from a normal human being to a vampire is a transition that took four years and required the said teenagers to attend the House of Night boarding schools during this time.

**Night Huntress -
Wikipedia**

Late-night calls are an ominous sign in any household, but for a Maine game warden, it's seldom good news. On this evening, the Pineland Hospital and Training Center, a state-run inpatient institute for the mentally challenged, was missing a patient. It wasn't uncommon for patients to wander off, but the center rarely
